WUWU-LP 100.1 FM

1. Please briefly describe your program idea:
2. Who is your targeted listening audience?
3. How would you describe the people/artists and voices that will be featured on your show?
4. Please describe ways in which your show will feature local voices, news, issues and concerns.
5. Will your show be educational or informative? If so, please describe.
6. Please describe ways you will participate in keeping WUWU-LP alive and kicking beyond the production of your own program?
7. Do you offer services or have a business related to the topic you will be covering on your show? If so, how do you plan to keep your show and your business/services separate?

Completed applications can be submitted to the programming committee by mailing or dropping off your application at the studio.
